### **Golub Corporation Opens Newest Market 32 Store in Burlington, VT**

*Newly Converted Store is Chain's 18<sup>th</sup> New or Remodeled Store*

(SCHENECTADY, NY) The Golub Corporation's newest contemporary, food-focused Market 32 brand opened today in Burlington, VT in the renovated store at 595 Shelburne Road in Burlington, VT.

Marked by open space, a décor filled with soft earth tones and product-focused displays, murals and lighting, the Market 32 brand emphasizes convenient, ready-to-eat foods, fresh, handcrafted, and locally grown, produced and manufactured products, and intuitive product/department adjacencies (e.g. greeting cards next to the floral department). An elevated level of customer and signature items throughout the store further differentiate the brand experience.

"Our customers continue to respond very positively to our new Market 32 stores. They are looking for a modern and convenient shopping experience and we are delivering that. Our company has a long history in Burlington and, with this

remodel and re-opening, we look forward to being able to serve our customers for decades to come,” said Scott Grimmett, Price Chopper President &CEO.

This is the 18<sup>th</sup> Market 32 store to open (as a “ground-up” store) or re-open (as a remodeled store) and the first in Vermont.
