PRICE CHOPPER/MARKET 32 RAISES MORE THAN \$225,000 FOR ANNUAL MDA CAMPAIGN

(Schenectady, NY) Price Chopper/Market 32 has completed another successful fundraising campaign for the Muscular Dystrophy Association (MDA) by raising \$225,491 in a month-long campaign that ran throughout the company's six-state footprint, thanks to the generosity of customers and teammates who made donations of \$1 or \$5 at the checkout.

"Our annual Shamrock campaign continues to engage community in support of the progress that is being made," said Mona Golub, vice president of public relations and consumer services. "As a partner to MDA for more than 30 years, we take pride in working to contribute to the research that will ultimately cure neuromuscular diseases."

MDA funds worldwide research in an effort to cure muscular dystrophy, ALS and related diseases. MDA also provides comprehensive health care and support services, advocacy and education. Neil Golub, Golub Corporation's executive chairman of the board served as a national MDA board member for more than 20 years. Lewis Golub, after whom the company's annual golf tournament is named, was Neil's cousin and business partner for four decades, before succumbing to ALS (Amyotrophic Lateral Sclerosis, Lou Gehrig's disease).
