

MasterChef Serve & Share promotion begins May 16, 2021 and runs through July 10, 2021 or while supplies last. To redeem AdvantEdge Rewards points¹ for MasterChef Serve & Share at any Price Chopper, Market 32 or Market Bistro location, minimum number of required points (depending on item selected) must be available on AdvantEdge Card² before redemption transaction. Check your printed receipt or online at pricechopper.com for your current AdvantEdge Rewards point balance.

Upon redemption of AdvantEdge Rewards points in-store, the total purchase will be reduced by the value of the total points balance available for redemption. There is no limit to the number of MasterChef Serve & Share items that may be acquired using AdvantEdge Rewards points. **Limit one item per transaction. All sales of MasterChef Serve and Share are final.**
